**RE: ARCHIVING PROCEDURE FOR DAILY NEWSCASTS RECORDED IN  
"WEEKLY SUMMARY REPORTS" PLACED IN WLUK-TV'S FCC PUBLIC  
FILE, *QUARTERLY PROGRAMS AND ISSUES REPORTS*.**

Throughout the day, video is edited for "on-air" presentation, and then is sent to a server in the Newsroom.

Each Newscast is titled on the server and the video used "on-air" is compiled onto an archive tape.

A log is created for each archive tape. This log includes information relating to the show, video title, and length of each piece.

The rundown for each newscast is opened and the following information is listed: archive tape number, length of video, format, (i.e. package, vo, vob, vosot), and a short description of segment content.

This procedure must be done daily and in a timely manner to insure that video is retained and available for future use.

It is my responsibility to archive all information, and print out a weekly log to be placed in the FCC Programs and Issues Report.

### **LEAGUE OF WOMEN VOTERS, AARP WISCONSIN AND FOX 11 ANNOUNCE 8<sup>TH</sup> CONGRESSIONAL DISTRICT FORUM**

(Green Bay) All five primary candidates for Wisconsin's 8<sup>th</sup> Congressional District have agreed to participate in a candidate forum to be held at 6:30 pm, August 21 at Northeast Wisconsin Technical College.

This announcement was made jointly by WLUK FOX 11 Vice President and General Manager Jay Zollar, League of Women Voters of Greater Green Bay President Joyce McCollum and Associate State Director of AARP Wisconsin Lisa Lamkins. The three entities have partnered to offer the voting public an objective view of the candidates' positions on issues important to the 8<sup>th</sup> District.

FOX 11 News anchor Tom Milbourn will moderate and FOX 11 will video tape the 90 minute forum. FOX 11 also announced an extraordinary broadcast plan. The candidates' views on issues will be broadcast **unedited** during FOX 11 News at 9. The series of 8 minute segments will run 7 consecutive nights beginning August 21, 2006.

Jay Zollar noted, "Dedicating 8 minutes of news content for 7 nights wasn't a difficult decision. The 8<sup>th</sup> Congressional is a pivotal race with significant national attention. Providing unedited responses will help voters make educated choices. We are proud to carve out this time in FOX 11 News at Nine."

McCollum pointed out, "The League of Women Voters has a strong reputation for non partisan candidate forums and will oversee the framework of the forum including selection of questions. FOX 11 and AARP have agreed to follow LWV guidelines insuring an unbiased event."

AARP Wisconsin has agreed to co-sponsor this event. "As the nation's leading membership organization for those over 50, it is important that AARP is active in state and federal elections," said Lamkins. "Sponsoring a candidate forum allows not only AARP members but all voters to hear directly from the candidates on issues important to Wisconsin".

### 8th District Candidate Forum

August 10, 2006

The event is Monday, Aug. 21, at 6:30 pm, in the lecture hall at NWTC, 2740 W. Mason Street. No tickets are required. The hall holds about 250 people and will be filled on a first-come, first-served basis.

The candidates participating are:

- Republicans John Gard and Terri McCormick
- Democrats Steve Kagen, Nancy Nusbaum and Jamie Wall

There will be party primaries on Tuesday, Sept. 13, with the winners facing each other in the Nov. 7 general election. Current Rep. Mark Green is leaving the seat to run for governor.

FOX 11 anchor Tom Milbourn will moderate the forum. Questions will be developed, in part, based on feedback from viewers. All candidates, regardless of party, will respond to the same questions.

What do you want to see the candidates talk about? Taxes? Immigration? The War in Iraq? Social Security? Campaign finance reform? Prescription drug costs? Gas prices? Please send a note with a possible question or simply stating what topic you would like the candidates to address to: The League of Women Voters.

The event will not be broadcast live. However, FOX 11 will air the complete, unedited responses to several questions the week of Aug. 21 during FOX 11 News At Nine. Also, FOX 11 will broadcast the debate in its entirety on Sept. 3.

For more information, go to the League of Women Voters' website.

**Statement from Mark Gardon and Family Regarding President Bush's  
Upcoming Visit on Behalf of John Gard for Congress**

**FOR IMMEDIATE RELEASE**

**DATE: August 6, 2006**

**CONTACT: CHRISTINE MANGI**

**PHONE: 920-437-GARD**

"Good afternoon and welcome. My name is Mark Gardon. Thank you for coming out today and so graciously respecting our family's privacy. We have received a number of inquiries about the event. We are thrilled to open our home later this week and thought it would be best if we were available to answer any questions any of you may have. When we are finished we would need to get back to preparing for a family event and would ask that you continue to respect our privacy.

I am happy to introduce to you my wife of 20 years, Margaret, our 15-year-old son, Mac, and our 13-year-old daughter, Sara.

God has blessed my wife and me with two wonderful children. I grew up in small town Peshtigo and dreamed big American Dreams. We live in the greatest country in the world where anything is possible. This week proves it.

We are absolutely thrilled to welcome the President of the United States to our home. It will be a special honor. We believe President Bush is a good man with a great family who is serving our country during an amazingly challenging time. We are also excited that he is coming to lend a hand to our dear friend John Gard. John will make a great Congressman who knows how to lead; and the fact he is also lives in Peshtigo is icing on the cake. We have known John and his family for a long time and we are so happy he is running.

As exciting as the visit from President Bush is, it will not be the most important thing I do this week. I am a local physician, a neurosurgeon, working with wonderful people at local hospitals all week. Collectively, we make lives better and in some cases save lives. It is my passion and I love what I do. I am thankful everyday for the people with whom I work and the families for which I am able to care for.

I do this because I believe in America, where small town boys can grow up and do special things. We need people in Congress who work to make the American Dream a possibility for everyone and that's why we are honored to support John Gard and President Bush."

7/7/06 – FCC Quarterly Programs/Issues Report, Qtr. 3, 2006

LIVE News Conference in Chicago, IL on Friday, July 7, 2006 at 10:00am for 20 minutes. President Bush's main focus was on recent incidents with immigrants entering the United States, some legally and some illegally. President Bush gave examples of how immigrants have helped shape the character of our nation. However, our immigration system needs to be reformed. Working immigrants in Chicago would like to legally become U.S. citizens, but our present system does not address this. The unemployment in Chicago is below the national average.
